ORDER--No. 310, Finance, dated 1st April 1948.

The Government have considered the question of extending beyond 1947-8, the concession sanctioned in the proceedings cited and have decided that, as prices of conveyances do not still show any tendency to fall, the concession should be continued for another year up to the 31st March 1949 for the present. His Excellency the Governor accordingly directs* that advances to Government servants for the purchase of conveyances during 1948-9 shall be free of interest.
